The purpose of this memo is to notify you of the review committee's findings and recommendations concerning the non-hit shooting incident which occurred on October 28, 1994.

The committee met on April 5, 1995, and consisted of myself and Commanders Gomez (FOR II) and Sanchez (FOR I). We determined that this use of deadly force by Deputy Richard Schlegel, [redacted] was within policy.

The committee recommends that you counsel Deputy Schlegel concerning taking independent action by pursuing, alone and on foot, two possibly armed suspects into a backyard and not fully utilizing available Departmental resources.

Accompanying this memo is the original PSTD Response Team package which contains the IAB and Training Bureau reports. Please evaluate the included material and complete and sign the enclosed form documenting your recommendations and actions. The package should be forwarded to your division chief within 30 days.

SUMMARY OF INCIDENT

Suspect involved in an assault with a deadly weapon/robbery crime at [redacted]

Deputies were called to return to the location at approximately 2250 hours, on 11-27-94, regarding suspects possibly had returned. Deputies arrived at the location, knocked on the doors and ID'd themselves. The suspects would not answer, however, the deputies could hear sounds of people inside of the location moving furniture and large items.

Believing that the suspects were inside and had barricaded themselves, the deputies contained the location and requested the SWAT Team. A command post was set up.

At approximately 0053 hours, three K-9 units ordered the suspects out. The suspects fled through a rear door, climbed over a six foot high chain linked fence topped with two strands of barbed wire and ran east through several back yards.

Deputy Schlegel hearing that the suspects were on foot, moved eastbound on 97th St. along the south sidewalk. As he reached the front of [redacted] 97th St, he saw a male black wearing dark clothing running from the rear yard to the front yard of [redacted] Schlegel drew his weapon and ordered the male to lie down on his stomach.

The suspect did not comply and then jumped a short chain linked fence into [redacted] 97th St. He started running into the rear yard along the east side of the location. Deputy Schlegel holstered his

weapon, jumped a short fence in front of the location and pursued the suspect through a wood gate along the side of the house.

Just as Deputy Schlegel entered the gate he saw the suspect run into the back yard and run west behind the house. At the same time he caught a glimpse of a second suspect hiding crouched in the corner of the gate and the house at [redacted] 97 th St. He saw what appeared to be a barrel of a gun in the suspect's hands and fearing that he was going to be shot, instinctively drew his weapon, turned towards the suspect and fired one round.

Deputy Schlegel then illuminated the suspect and realized that the object was a grass rake handle. He then took the uninjured suspect into custody.

The other suspect was caught moments later by field deputies as he ran around to the west side of [redacted] 97th St. and back towards the front of the house.

SUMMARY OF INCIDENT

INVESTIGATIVE SUMMARY

File #S008372

The summary of this incident is based on the reports, memorandums, teletypes and taped interviews contained in this package. It also contains information verbally relayed to the Internal Affairs Bureau investigators. This summary is preliminary and does not contain an interview of the Deputy, Richard Schlegel, #[redacted] who was involved. His account of the incident was taken from reports, Exhibit A, and from interviews of the supervisors that he verbally reported the details of the incident to.

Lieutenant Dennis Burns, Sergeants Barry McCrummen, Mark Walker and John Nemeth, responded to the scene on October 28, 1994, and contacted Acting Captain Anthony Dennis and Lieutenant Paul Tanaka for preliminary details of the deputy involved non-hit shooting.

The investigation revealed that on October 27, 1994, at approximately 2245 hours, Lennox units 31D EMS, Deputies Zack Conner, #[redacted] and George Creamer, #[redacted] 31 EMS, Deputies Richard Schlegel, #[redacted] and Shane Yates, #[redacted] and 30S EMS, Sergeant Greg Ahn, #[redacted] received a call that two assault and robbery suspects who had shot a man in front of [redacted] L.A., earlier that day, had returned to the location and were inside [redacted]

The units arrived and contacted an informant named [redacted] (NFD). He told the deputies that he had been threatened by two male blacks, and that they were armed and inside the location at [redacted] He indicated that one was Jamaican and that they were the suspects from earlier in the day. [redacted] was uncooperative and wished to remain anonymous.

A containment of the location was set up and then units 31D and 30S took up a position on the west side of the location near the front door. Unit 31 took up a position on the northeast corner of the location, watching the east door. Other units took up positions in the alley at the rear of the location.

Prior to knocking at the front door, they could hear several people talking inside the location. One of the individuals had a heavy Jamaican accent. Deputy Creamer knocked on the barred door with his flashlight and announced that it was the Sheriff's Department and ordered the suspects to come out of the location.

The occupants quit talking and the deputies could hear movement inside of the house. Deputy Creamer knocked and again announced that it was the Sheriff's Department and ordered the suspects to come out. The deputies said that they could hear what sounded like furniture being moved around, as if the suspects were barricading themselves inside the location. They would not respond to the announcements.

Sergeant Ahn and Deputies Conner and Creamer assessed the situation and felt that they were faced with an armed, barricaded suspect situation. They requested that the Special Weapons Team be notified of the situation.

Lieutenant Paul Tanaka, #[redacted] responded to the location and conferred with Sergeant Ahn. Several more units were deployed to assist in the initial containment, and a field command post was set up at the 96th Street School by Lt. Tanaka, Sergeant Ahn and unit 31D, Deputies Conner

and Creamer.

Three Special Enforcement Bureau K-9 units were monitoring Lennox's radio frequencies and responded to the command post. While there they conferred with Lt. Tanaka who had been in contact with Lt. Brock Simon, [redacted] of SEB. A decision was made that the three K-9 units, Deputies Kenneth Bickerstaff, [redacted] unit 240 K-9-1, Steve Wilkinson, [redacted] unit 240 K-9-6, and Byron Wainie, [redacted] unit 241 K-9-1, would respond to the location and make several more announcements, hoping that the suspects would come out voluntarily.

The three K-9 units, accompanied by Deputy James Hasquet, [redacted] unit 32 EMS, went through the apartment building at [redacted] At the rear of the location they had a direct view of the front door of the suspects' residence and had both cover and concealment.

Deputy Bickerstaff with the aid of an electronic microphone made an announcement stating that he was from the Los Angeles County Sheriff's Department K-9 and Special Weapons Team and told the suspects that the location was surrounded and there was no way out. He order the suspects to come out with their hands up. He said that he observed no response. Seconds later he made a second announcement, indicating that if the suspects didn't come out, the dogs would be deployed and the suspects might be bitten.

As he finished his second announcement they heard noises on the east side of the location, sounding like the suspects were going out the rear door. At the same time they monitored radio traffic that the suspects had gone out the back door, jumped a fence and were running eastbound on foot.

Deputies who were containing the area moved east along 97th Street and along the alley as the two suspects ran east through the yards. Deputy Schlegel who had been standing on the north side of 97th Street talking to the informant, started running east and as he got to the south curb in front of [redacted] he observed a male black in dark clothing (Suspect Mark Mullins, booking #4172661) running north into the front yard of the location.

Deputy Schlegel drew his weapon and ordered the suspect to lie down on the front lawn. The suspect didn't comply, looked around and jumped a small fence into the yard a [redacted] W. 97th St. and ran along the east side of the house toward a 6' wood gate. Deputy Schlegel jumped the short fence in front of [redacted] W. 97th St. and chased the suspect into the rear yard. As he did, he holstered his weapon. At the same time several other deputies, Deputy Timothy Milliman, # [redacted] and Deputy Yates, were in front of [redacted] W. 97th St.

As Deputy Schlegel pushed open the gate and entered the rear yard, he caught a glimpse of a male in dark clothing crouched down in the corner, where the wood fence and house joined. The suspect had something in his hand that appeared to be a weapon. Knowing that the suspects had been armed earlier, and believing the object was the barrel of a weapon, believing that the suspect was going to shoot, he turned, drew his weapon and fired, one round at the suspect from approximately one foot away. The bullet missed the suspect and struck the east side of the house at the foundation level. (Refer Exhibit 1-#18&19)

Deputy Schlegel illuminated the suspect (Roland Hardaway, Booking #4172659) and realized that he was holding the wood handle of a grass rake. Deputies Milliman and Yates arrived at the gate and took the suspect into custody. Seconds later from the west side of [redacted] W. 97th St., Deputies Hasquet, Creamer and Conner arrested the other suspect who Deputy Schlegel had been originally

chasing.

The suspect had run around the rear of the house and back toward the front when stopped at gun point by Deputy Hasquet.

There was no force reported as being used on either suspect. Suspect Mullins at first claimed that he had been shot, as he had blood on his arm, however, when he was checked the only injury that he had were cuts on the palms of his hands. These he sustained from climbing a barbed wire fence, which separated his yard and the apartment building just east of [redacted] where he had been.

Ten sworn witnesses were interviewed and their interviews were tape recorded by IAB investigators. Each gave information consistent with the above summary of the incident.

Deputy Milliman said that he was originally positioned at the northwest corner of [redacted] Street watching the west side of the suspects' location. He said that when the three K-9 units arrived, his partner, Deputy James Hasquet, #[redacted] went with them to the south side of [redacted] so they could attempt to have the suspects come out by making an announcement.

Deputy Milliman said that he could hear the K-9 announcement from where he was, then moments later he heard someone yelling that the suspects were running east through the yards. He looked down the west side of the location and didn't see anything. He then began moving east along the south of the street. When he got to the east side of [redacted] he saw one of the suspects run east across the front yard at [redacted] W. 97th Street.

Deputy Milliman said that he moved east to the middle of [redacted] W. 97th Street and thought that Deputy Shane Yates, #[redacted] was right behind him. The suspect ran south through the east side of the yard at [redacted] W. 97th Street toward a gated wood fence. Deputy Milliman said that Deputy Schlegel, who was just east of him, jumped the low fence, holstered his weapon and chased the suspect through the gate.

Deputy Milliman said that Deputy Schlegel was approximately 20 feet behind the suspect as the suspect went through the gate. He said that just after Deputy Schlegel went through the gate he momentarily lost sight of Deputy Schlegel and it was then he heard a shot from Schlegel's position.

Deputy Milliman said that he and Yates ran to Deputy Schlegel's location and observed Deputy Schlegel standing, with his gun drawn, in front of a suspect that was crouched down in the corner next to the house just behind the fence. Lying on the ground next to the suspect was a wood handled grass rake. Deputy Milliman said that he thought that the handle was closest to the suspect and the rake end away from him.

Deputy Milliman said that Deputy Yates then handcuffed the suspect. The suspect was uninjured.

Deputy Yates said he was maintaining a containment position at the northwest side of the apartment building at [redacted] watching the east side of the suspects' location. He said he heard the announcement given by the K-9 deputies and moments later saw two male blacks exit the east door to the house, climb the chain link and barbed wire fence and jump into the apartment building walkway. He said that they started to run in his direction, but saw him and then ran south toward the alley.

Deputy Yates said that he monitored that the suspects were running east through the yards. He started moving east along the south curb of 97th Street. He saw Deputy Schlegel run from the north side of the street, where he had been talking to an informant. Schlegel ran in front of him followed closely by Deputy Milliman.

Deputy Yates said that he heard deputies yelling at the suspects to stop and heard some of the neighbors yelling at the suspects to stop. He saw one suspect run south along the east side of the house at [redacted] W. 97th Street. Deputy Schlegel jumped the low fence in front of the location, holstered his gun and chased the suspect through a gate.

Deputy Yates said just after Deputy Schlegel went through the gate he heard a shot. He said that he ran to Schlegel's position, and observed that Deputy Schlegel had a startled look on his face. He said that the suspect was crouched down behind the gate with his hands up.

All of the other deputies interviewed stated substantially the same about the initial containment and activity that immediately followed when the suspects fled on foot. None of them saw Deputy Schlegel or Suspect Hardaway until the incident was over. None of them saw Deputy Schlegel draw and fire his weapon.

Witness [redacted] said that at approximately 0100 hours she heard people running around the outside of her house. She heard voices saying, "Hold it right there!" "Stop!" and then she heard a shot. She went to the rear of her house, checked on the safety of her children and then looked out a window of her house. She could see the deputies handcuffing the suspect, who was bent over, on the east side of [redacted] W. 97th Street.

All of the other civilian witnesses stated that they heard people running through their yards and heard people shouting, "stop" and "stop or I'll shoot", followed by the sound of a gun shot. None of the civilian witnesses observed Deputy Schlegel draw and fire his weapon.
